RE: Policy as it relates to Installment Payments of Real Property Taxes

Pursuant to Ordinance 66-07 the Horry County Treasurer is able to collect installment payments for the upcoming tax year. These payments are paid in advance and are not applied to the tax bill until the sixth and final payment is made.

If within the year a property owner sells his/her property in which installment payments have been made the owner must send written notification requesting a refund, resulting in the owner and property being removed from the Installment Program. No proration of taxes are made by the County Treasurer's Office.

A third party (ex. Law Office) or new owner will not be able to apply the installments monies toward the payment of taxes.
